

# THE EXPERIENCE OF TECHNOLOGY

Scottish Archaeological Forum Conference:  
22nd/23rd October 2011, University of Glasgow

## KEYNOTE ADDRESS:

- Prof. Olivier Gosselain, L'Université libre de Bruxelles

## SESSION CHAIRS:

- Prof Ian Armit, University of Bradford
- Prof Peter van Dommelen, University of Glasgow
- Prof Audrey Horning, Queen's University, Belfast
- Dr Nyree Finlay, University of Glasgow

## CONFERENCE THEMES INCLUDE:

- Landscape and phenomenology
- Sensory experiences – auditory, haptic and olfactory
- Social dimension, agency, practice and behaviour
- Materiality – how objects can give meaning to the concept of somatic technology
- The philosophy of deterritorialisation – technology as an interface where object and subject are indivisible.
